I did not know Gary well but enough to know he was a good man. He would put prices together for me on construction projects involving kitchens and we would purchase items here and there. I was at the store just a few months ago and he offered me a sampling of a slushie from one of the machines there in his store. He always had extra time to chat about his family and history and the Cape area. Prayers to him and his family.

I am so very sorry to hear that Gary has passed away. I had known Gary's name for years because he and my sister, Kathy were friends. I actually met Gary when he stopped in the barber shop I work at for a haircut. He continued coming to me for his haircut and I'm so glad he did. He was such a nice man. I'm so glad I was able to get to know him. I will miss him. My deepest sympathy to all who loved him. You are all in my prayers.
