*Tammy, I'm sitting here in shock and disbelieve after reading Steve's obituary I was just thinking about you two yesterday after talking to my mom. You two were so wonderful, helping her with the drainage problem in her yard, Your care and kindness toward her and what I consider our friendship guarantees YOU the listing of her house when she passes on. I was looking forward to seeing that big smile and his face when I told Steven. She will be 92 on May 6 and is declining mentally and physically, as you might imagine. You and the family are in and prayers and will stay there for a long time. God bless you and all. Ron and Angie Gray*
