“ I've known Beverly for about 7 years, since moving into the age limited Mobile Home park as she. She was always driving somewhere, every am I would see her leave fairly early, I assumed to get her breakfast. Back home for an hour or two then driving back out again.

Every one living here was shocked at her untimely passing. I will miss her for she was a beam of light to all who knew her!

“ I will always remember sitting on the porch swing with Bev and my grandma after a long day. Her smile could light up a room! I will miss her and those moments dearly, but I am so grateful to have shared those times with her.
