“ Barb,

Mike and I are very sorry to hear of Joe's death! You and your families are in our prayers. This has to be such a challenge. We have missed seeing you both. This summer , our Mercy 55th, would have been that time except for the virus. Joe always was delightful to visit with when we gathered. He was such a “people person”.

Don Bergthold called to tell me that another St. Paul's friend saw it in the bulletin when he was at the church (More prayers) and wanted to tell him. They always knew Joe as Danny Joe and wanted me to verify if it was Joe. Both Don and Lucy have the virus .

Marsha sent out this beautiful tribute to his life to our classmates after I found it. Sure wish we were closer .

Prayers continue. Love, Claudia

“ Jerry and I are so sad at the loss of Joe. He was an extraordinary person. He was my insurance man for years. He cooked at Jerry's and my wedding in 1994. He was a friend.
I know his family will miss him dearly, but he has many friends that will miss his infectious laugh.
Prayers for family and friends.

“ Barb,
Our prayers and sympathy are extended to your family and you for the loss of Joe. He was always so outgoing and friendly to everyone. Joe and you were active and supportive for all of your kids activities. We became acquainted when our kids were classmates and participated in various functions at both St. Vincents and Notre Dame. May God's grace and love be with you. Joe will remain in your hearts forever. We will make a donation in Joe's memory to Birthright.

“ Barb, I am very sorry to hear about Joe. He was a wonderful member of the Hahs Agency. Every interaction we had was positive. He was always uplifting and always had a smile on his face. Joe had a wonderful work ethic and I can guarantee that his clients all received the best and most objective recommendations for their circumstances. Joe sincerely cared about his people. He was truly reflective of the standards of the Northwestern and he certainly set the bar for the other reps in the organization.

“ Dear Barb, I read with great sadness that Joe passed away. I do not check my Northwestern emails very frequently so I'm typing this as his funeral is going on. I would have come down to be there had I seen it earlier.. I was in a study group with Joe for several years back in the 80's. He was always a great guy to have as part of our group. I will remember him fondly. Always smiling and always positive is what comes to mind. Please know that you and your family will be in our daily prayers. May the peace that surpasses all understanding be yours today and in the days to come. My sincere condolences on your loss. Sincerely, Tom Clemens

“ Dear Barb and family,
Mark and I were so sorry to see Joe's obituary in yesterday's paper. He was such a good and decent man. I am so glad I got to know him through Rotary...to hear his jokes, receive his blessings and learn what it meant to be a committed Rotarian. And he sure did love his family. I know you will miss him terribly.
We pray you will feel our loving Lord's arms around you during the days to come.

“ Unfortunately I only knew Joe for a few years. He had such an amazing impact on me in that short time. He and my late father were friends of Bill W for many years. After my dad's passing he helped me through a lot and was always there to offer some advice. He was the true example of humility and service. He will be missed by many people. Earlier this month he gave me a beautiful card for my anniversary and in it had written a wonderful quote about my dad which I think is fitting for him too so I'll share it here. "I will miss him. He was one of God's great Miracles. He came from the depths of fear to live on the mountain of God. Walking hand in hand with the God of his understanding. May his soul rest in peace."

“ So sorry to hear of Joe's passing. He was a friend of 46 yrs. and was instrumental in helping me get my life back on track. He was kind and patient, but non-bending when it came to the 12 Steps. We met in bad times and hung in there until it turned to wonderful times with God at the helm. I will be eternally grateful to him for all the help and understanding and time out of his life he gave me and eternally grateful to Barb for allowing him to be an important part of mine, and so many others messed up lives. There are really no words strong enough to express my gratitude to both Joe and Barb. To Barb, May the road rise up to meet you. May the wind be always at your back. May the sun shine warm upon your face; the rains fall soft upon your fields and until we meet again, may God hold you in the palm of His hand.

“ Barb and family I am sorry for your loss. But Joe McKeon is in Heaven. He impacted so many lives and he lead a God centered life. And Joe helped many people take positive steps financially with Northwestern Mutual. I really got to know Joe better thru telephone conversations especially when Luke started getting treatment. He was so proud of Luke's courage.

God rest Joe's Eternal Soul.

“ I truly am sad to hear of Joe's passing! Yet how can I remain sad knowing how much he loved Our Lord and wanted to be always in his will. Barb, Tim, Betsie, and Matt know that each of you and your families are in my prayers. I will offer a special Mass for Joe later but I will always remember him at each Mass I celebrate with thankfulness and praise to God for a GREAT FRIEND, LOVING EXAMPLE, and good cook. I would have said great cook, but he would surely have corrected me on that one. Sorry I can't be with you but know how much I care.....

Peace and Blessings in Christ,

“ Every Young Saint in Heaven met Joe at the Gates. The years he gave to Youth are Second to NONE. He loved His Wife, children, grandchildren, Faith, Church and everyone he met, he was a Voice for All and Never met a stranger. The world lost a Hero, Heaven gained a Saint.

Love ya St. Barb and Betsy (saint in training)

“ Dear Barb and family where do we begin. We have so many great memories going back to when Joe and Jerry met while in college they were a pair those two. Then meeting you and all the great times we had together. Then we grew up and had families who's lives were intertwined even though we lived miles apart.

Joe being best man at our wedding and Jerry's godfather and our oldest godfather and Jerry Tim's godfather.

So many memories.

He was Jerry's brother from another mother.

What a wonderful tribute Matt gave his dad. We know Joe was involved in a lot but didn't know there was so much he did for others.

I know he was a good cook. When we were there last he made the best blueberry pancakes.

Love you Barb and all the McKeon family.

Sending love and prayers to all.
