“ I worked with Fred at Pollack Hide and Fur and found. true friend. and a colleague that was always here to help with the work, the shear and loading and unloading the truck.

Fred and i also loaded batteries and pipe in the middle of winter in blowing snow and and the middle of summer in 100 degree heat. I never heard Fred complain once, just do the job and be done. Fred’s family should be proud cherish his memory,he was the best.

“ I remember him being dressed nicely, taking us to church! Never had a mean face, a really good man! Highly respected by everyone, a role model to all! Very much n love with Aunt Wanda, they say close and held hands! Fred would take fellow workers to and from work! All four kids were well dressed and behaved! No yelling and fighting! They helped raise alot of Kids and Grandchildren! They didn't have alot of money but they were happy and willing to help others God was very much of their lives! We loved that family dearly and had a wonderful time all living n Grandmas big house! They were my role models n life!

“ Dear Family,

I will always remember Uncle Fred as the quite type, kind and gentle. The summers that Grandma Norris would watch me during the day, Uncle Fred would come for lunch and help her with things, then go back to work. He would always be smiling.

My daughter, Kelsey, would wait on him at the Wal-Mart pharmacy. So that's how she knew him. When I called her to tell of Uncle Fred's passing she said " Oh Daddy, Uncle Fred was AWESOME"

I am praying for everyone and know you will always have fond memories of him and Aunt Wanda.

Love to all,

Cousin Doug Norris
