Comments

“ I am so sorry for your loss, Sue was always a joy to be around, We went to Red Hats together, She was my neighbor down the road. She helped me one time by staying with me through a traumatic episode. I will never forget her for that. I am so sorry that I am unable to come to her service. I don't drive to Cape by myself anymore. Just know that she will always be remembered in the Patterson community. Mary Sue Dildine
