“ I just learned today of Laverns passing. I enjoyed working with Lavern at the CGPS Board office. She was always on top of everything, and ready for anything. She took good care of us during our meeting, like a mother would a child. I always enjoyed talking about family, friends, church, and yes, even motorcycles. R.I.P. Lavern, my your memory always shine as bright you did.

“ Laverne will be so missed by our Red Hat Group. Also, Laverne was one of a foursome who played bridge on-line during the pandemic. Her wonderful smile and all her goodness will leave a void in so many lives. I will continue to pray for this family who certainly needs some comforting. My condolences. Genie Kremer

“ Laverne had such a big personality. She filled a room with laughter and conversation.

And she was an excellent bridge player. She could recall the last hand played and offer suggestions to help improve the play. I always looked forward to being Laverne's bridge partner.

My sincere sympathy to her family,
Carol Wells

“ Oh the times we had at CHS working together...she was my mentor, my friend and one who always listened when I needed a lending ear. She was a force behind the plan and always had an answer to the questions what only Laverne would know. She was the one who made her administrators look good because she knew more than they knew and they knew it. Outside of work, Laverne loved her family beyond measure and always was so proud of each of them as well as being a wonderful wife to the love of her life, Richard. You are leaving us too soon with wonderful memories to carry us all into the coming days.....

“ Debbie and all,
I was saddened to hear of your Mom’s passing. She always had a smile on her face and I remember her laugh fondly. When we were all running around together in high school and college we all considered her our Mom as well.

Memories are the legacy of love and I pray that they bring all of you comfort during this sad time.

My deepest sympathy,

“ Laverne was never one to engage in subtlety. She called them like she saw them! And for those who were wise enough to listen, you learned that she tended to be right. I am grateful for her kindness and wisdom. She was always willing to serve, to give, and to lead. I will always cherish the moments when she would wander into my office and we would solve all the problems of the world! She had a deep and abiding love for her family; her face would absolutely light up when talking about those she loved. I am grateful for the many ways that God used Laverne to teach more more about goodness and grace. -Tyler Tankersley

“ Laverne was an amazing coworker who became my friend. Her son was usually the topic of our conversations. We were both so proud of him. Laverne was proud of all of her children. She will be missed by many. . .including me.

“ We were one house separated since 1968 - what wonderful neighbors they were. Our children went to "Hawthorne" it was called then - now Clippard school now where Debbie teaches my great-grand children. The years have rolled by and she was so precious to me when my husband passed 2 yrs. ago and checked on us when I almost lost my oldest son that lives with me. Always that big smile and that little laugh when she was around. Miss her; but know she loved the Lord and she is with your Dad again rejoicing. Stay true to the Lord - we will see them again. Love and prayers, Jeannette Stone

“ I met Laverne while working briefly at First General. I thoroughly enjoyed working with her. Laverne was a vivacious lady who loved her family, numbers, and bridge playing! I learned so much from her. I received advice on life, how to find lice, and heard about all her travels. Laverne was a true inspiration and vital part of the community. The one thing I can say is I am certain with all the hard work, travel, and living Laverne did she did not leave this world regretting not doing something. Laverne was a go getter and strong woman. This news deeply saddens me. I will pray for her family for the courage to get on to the new reality and adjustment fate has presented before you. Please know I am sending my sincerest condolences. May her memory be eternal. Laverne I wish you a good trip.

“ So many fun memories with Laverne at church. When I took over the CE board, she helped me through that process so much. When I think of your mother- I think about laughter! May you have many more good laughs, remembering all the funny things she did or said!

“ I didn't know LaVerne until I began attending FBC cape with her. I was always drawn to her because of how loving and caring she was to me after my son died. I got a hug every week to last me til the next Sunday. I felt a real heart-to heart relationship to her, her daughter Debbie, her husband Keith, and her grandsons Zach and his brother. I am already missing her.
