“ Mrs Strack always had a smile and loved children. She patiently taught me how to milk a cow at the Strack farm out on Perryville Road. Prayers for her family.

“ Dear Strack Family-we are sorry to hear of Margaret's passing. Jim and I have good memories of both of your parents as Optometric patients of Jim's. In addition they were RVing friends of my parents, June and Horace Walters of Sikeston, with whom they spent many wonderful times together in their retirement. In addition, Debbie was our daughter's kindergarten teacher; another connection we remember fondly. We are keeping you in our prayers as you celebrate her life. Jim & Cyndy Hall

“ Dear Ones,
It is hard to give up a Mom at any age. Just as your Mom once held you in her arms so warm and secure, so now is Jesus holding her in His loving arms. What a comfort! In the book Life after Life, hospital personnel told stories about those who died and were resuscitated. Their patients said that heaven was so beautiful that they did not want to come back, so I can picture your Mom with her sweet smile enjoying every minute in heaven Now she is well and we will see her again.
It is our prayer that God will give you strength for each new day and that the happy memories that you shared with your Mom will also bring much comfort.
God's love and ours,
