“ Hey Mike!! Brian and I went to Yosemite in California, Silver Lake and Bodie. We had such a great time. I bet you would love it too. We sat on the beach for a few hours and drank some beer and watched the boaters go by. I could have stayed there for a month.

I found a gift card you gave me almost ten years ago. I am going to use it to buy some things for Christmas. I used your other gift cards to buy my writing computer...so I know you are with me every step of the way.

Love and miss you,
~Magen

“ Hey Mike...I hope you are doing well, where ever you are. Dad and mom and getting things squared away, just the way you wanted them. I'll be heading to Missouri to visit them soon. The Cardinals for 1st in Central. I know you would be excited about that, and watching every game.

I wish we could have had more time together. Christmas will especially be hard...I know how much you love that time of year. Miss you always. ~Magen

“ Cousin Mike was (and still is although he has moved to heaven!) a man with a heart of Gold. Growing up with Mike was an adventure and such fun! We loved going to the farm and playing with Mike, Cathy, Mary and Karen in the barn and on the tractor rides Uncle Frank gave us! Mike always remembered my birthday and was patient when I forgot his although it was 6 mos. to the day! (4 1/2 yrs apart I always reminded him!)

We will miss you Mike! Looking forward to seeing you again! Prayers to sweet Helen and the whole Family. Seems like yesterday Helen and Mike stopped here in AR to visit on their honeymoon.

God's peace and blessings. Steve and Jackie (Parr)Morris

“ Helen, I am surprised and so sad to see Mike's obituary today. You may remember me from the WLS support group at SE Hospital years ago. In recent years I would still run into Mike on occasion around town, he always had a big smile and a hug for me. I am praying for you for peace in your heart during this difficult time and beyond.
Much Love,
