“ I'm Tracy but Mom Pfister use to call me her little shit or her other blonde headed daughter. It was always fun hanging out with this wonderful, crazy women when Verna came into town to visit! She could keep up with us too..... lord knows we tested her time and time again(like when Vern lied to her about having life jackets in the boat up in Maine) I just adore this women and I loved the energy and spunk, She is Mom Pfister! Kind, caring, loving, funny. Oh and what a laugh.... ya know you got her when she would start to snort !!!! To Verna, Drew and Mark. You were so blessed to have her here on this earth as your Mom. I love you all and she is in our hearts always. I am blessed and I am honored to call this women my Mom Pfister. I will miss you Mom Pfister. Love you always, Tracy

“ Ruth (Joyce) Pfister was special...she was my father-in-law's partner for 25 yrs. and I loved her. She was a genuine people person...she loved people and they loved her. When my father-in-law fell sick and was unable to walk, she took such wonderful care of him. She had many friends and was a woman who gladly lent a helping hand when needed. She adored her children and grandchildren and her extended family. She was fun and lively and I had many a good belly laugh with her. May you rest in peace, dearest "Joycie". Love you, Swanki
