“ I always knew my uncle had friends he spoke about, but seeing how many people showed up on Friday really pleasantly surprised us all. Every time we were together we would always be joking, there was hardly ever a serious moment with him. Every time I saw him, no matter what, he insisted on a hug. He felt genuine happiness and fulfillment when expressing love to other people.

“ Wes will be greatly missed. He was a great brother-in-law. Emily has said, many times, what a great brother he always was. My daughter's will miss their uncle so much. He always made sure they knew how much they meant to him. He spoiled them in every way!!
He rarely grilled or smoked his glorious food without making extra for us. We were occasionally “Guinea Pigs”, but loved every meal. The outpouring of love and respect from his friends has been a great comfort to us. As a family, we thank all of you.
