“ Adam every holiday has been so hard without you! No one will ever take your place. All Steve and I ever think about is you when we are at the house. It has not gotten any easier without you. I can't believe so much time has went by but it still feels like yesterday that you left us. We don't get down that way as often but when we do we always try to pay a visit. You were one of a kind but in the best way. Wish I could give you the biggest hug ever. Happy Thanksgiving on Heaven. We miss you so much!

“ Adam was our son-in-law and he will be missed beyond measure! We have grown so close to him over the 7 years he has been with Lauren. He was a great husband to her and loved her very much. It breaks our hearts that he is gone! He had so much life ahead of him and Lauren and Adam had so many dreams and goals and they both helped each other to attain them. We are very proud of his perseverance to become a better person and make everyone proud. Lauren and our whole family will miss him so much but he will never be forgotten and we will always carry him in our hearts until we meet again.
