“ I am a teacher at Kelly Elementary School and would like to offer my sympathy to Allen's family. He always was so conscientious about cleaning my classroom every afternoon. I appreciated his hard work and his dedication to our school as he gently went around doing his job. May God reward him abundantly!

“ Alan was such a nice person. We had some great talks at the end of the day when he was cleaning my room. He was very kind and I will miss him very much. Carroll Williams, my husband had Allen in class. They visited when I would go down and work in my classroom over the summers. My prayers and condolences are with you all. I know that he is in Heaven and feeling just fine now. Sincerely,
Debbie Williams
