“ *I worked with Al at P&G for a lot of years and he was a lot of fun to work with. We were good friends and did a lot of things together outside the work. He was a funny guy and I loved his company. I've moved to Alabama several years ago and kind of lost touch with Al. I knew he had some health problems and so sorry to hear of his passing. My condolences to all the family. Greg Jennings*

Sorry to hear of Alans passing. We were friends in high school but went separate paths in life. He was a good and honest man and it was a blessing to known him.
