“ *A most kind woman. I have such good memories of Mrs. Meyers. She always welcomed all into her home. I am so sorry I just missed seeing her in Kansas City during a recent visit. We used to have long chats back in the 60's and 70's. It would have been nice to talk with her again. I bet she still lit up a room!*

“ *For the few years in the late 60's and early 70's that I knew her I can reflect back and remember her as someone with an inner calm along with being very resilient.. The door to her home was always open.*

I also seem to remember she like "Marty Robins" albums!!!
