“ Mandy was my best friend growing up. We were inseparable. I wish things would have been different for her. She was an amazing person and a loving mother. She was always talking about her girls and son. I will always miss & love her. I hope she is happier now looking down on all of us.

“ Dear Karen, Bart and the rest of Mandy's family..... Please accept my sincere condolences and love in the wake of such an unimaginable event. I think all of us as parents contemplate something like this happening, but nothing can truly prepare us for it. It seems such a short time ago that I watched a young Mandy and my Chris playing together at Dad's.

Please remember that, even though we no longer cut grass at Grandma Omie's place in Gordonsville or have Thanksgiving at your Mom and Dad's or eat fried fish on New Year's Day at Aunt Ferne and Uncle Shorty's, this cousin still cherishes you and those wonderful days gone by.

Even though it will seem to take an eternity, I wish you peace, comfort and the ability to cherish memories of Mandy with warmth and joy rather than tears.

Much love to you all.

“ *Mandy was one of my very first friends, in 1st grade. We made our way together, weaving in and out of each others lives. We somehow remained in unison though, no matter the distance or time. My heart breaks for all. She was a loving and beautiful mother, with a heart that is rare to find. She will always have a strong place in my heart. Praying for peace in her soul, and peace for her family.*

To Bart and Robbie and entire family, I'm so sorry for your loss of Amanda. I taught her in Physical Education at Clippard and she was such a great, hard working student, as was Robbie. I will never forget the great memories and good times we had. Prayers for the family. 🙏
