

Angie Perkins

April 21, 1968 - November 20, 2022

Perkins, Angie Lynn peacefully went to sleep for the last time Sunday, November 20th 2022 at around 7:15 am. Angie was 54 at the time and a resident of Egypt Mills, (Cape Girardeau County) Missouri.

Daughter of Ronald D. Lohmann and Shirley A Lohman, wife of Timothy L Perkins, and Mother of Brooke Gantt, Brittany Perkins-Price, Chloe Perkins and Timothy C Perkins. She also left behind her beloved grandchildren, Shiloh, Caedi, Jonathan, Chase and Geneva. Angie's family were her entire world; very much her inspiration and pushing force in her existing state of affairs.

Angie Lynn Lohmann wed Timothy Lee Perkins on June 5th 1987. They shared 35 enriching, love filled years together. Being high school sweethearts and getting married straight out of high school means a life of truly growing together. Just imagine all of life's lessons and remarkable memories they share, in being together so young. It is beautiful beyond words the love, the commitment, and the faith they both so eloquently leaned upon.

Mrs. Perkins was well known for her unwavering faith, relentless strength, artistic talent and her way of loving. She had a way of providing empathy and compassion to everyone she reached.

Angie created/owned Egypt Mills Home Decor and More of Cape Girardeau County. She (her) husband Tim and daughter Brittany had just started getting their new location (Hecht's Home Decor and More) ready in downtown Cape Girardeau. She created beautiful things and also enlightening relationships with those she met through her business.

Artist is one of many ways that Angie will be remembered. She held talent that left many in awe. Angie could paint, craft and create anything she put her mind to. She burst at the seams with ideas and creativity, and had the motivation and drive to accomplish what she always set out to do.

Angie gave every ounce of herself to what she believed in. She would donate and give to those that she felt compelled to. She always strived to touch hearts and lead souls. Those that knew her would say that she had always been easy to talk to. It was admirable how she could be such a great listener and always have wise and impartial views, while trying to think from everyone's point of view and create a warmth and understanding.

During her last days, husband Timothy Perkins quoted that "Cancer stood no chance against her, she beat it, she kept it at bay...it took Covid's help..".

Angie lived her life as a fighter. A strong ambitious woman with the biggest heart. That combination is nearly unstoppable and she proved it time and again.

“ *Tim and family,*

My heart goes out to all of you for the loss of Angie. Such a beautiful life she lived! I have never met a more caring and loving person than she. It was obvious how much she loved life, her family and her community! I know her loss leaves a huge void in all of your hearts as well as many others, so am keeping your family and all those who loved her so much in my prayers.

“ *I met Angie when she opened the store down the hill from where I live. She was always very friendly and kind. I was always happy to see her smiling face. I have lots of things in my home that I bought from Angie's store and I always think of her when I see these things. I always referred to her store as Angie's not Egypt Mills Home Decor. I will miss her very much. I send love and prayers to her family, who she loved so much.*

“ Dear Tim and family,

Our hearts are saddened today. We know Angie is basking in the presence of the Lord. Our many thoughts and prayers are with you. May God's loving arms continue to surround you all and may peace that passes all understanding surround you all. Angie and my daughter, Laura, were good friends for many years during school years and later. Even though I had not seen Angie in a very long time she was thought about often . We were all neighbors for many years. Love in Christ, Karen McClendon and Laura Davis-Phelps. We are there in Spirit.

“ Angie is the Aunt and Tim The Uncle he is my children's middle brother. Angie is Aunt to my Heather and Kyle Madden. It almost knocked the air out of my lungs when my daughter Heather told me she had passed. I cried and then I didn't know what to say. I just thought those two would probably end up like the couple from the Notebook. RIP Angie no more fighting no more pain. Fly High Sweetheart Fly High. 🙏❤️
