“ Gary, I'm sorry to hear of the loss of your mom. However, as a believer in the resurrection we can rejoice. Rejoicing is such a sweet victory because those we love and lost, (sometimes many years before they quit breathing) are in the presence of the Lord and don't have anymore pain or suffering and are in the presence of pure joy and love, which is something I really can't wrap my brain around but something I look forward to because of my faith in God and His Word. I am so happy for Aunt Annis and those family members who accepted the grace of salvation through Jesus.
Sincerely, Diane Dodd
