“ Arlene was a very dear friend and co-worker years ago, we worked together on many case doing Private Duty Nursing. We cared for people recovering from illness as well as Hospice cases and thats how we became friends. She worked side by side with me and another friend for many years and she was always such a dedicated, loving, hard worker. She saw many souls reach there great reward in Heaven as I know she has reached hers for all the years of service she gave to others in need. As we got older and our own health changed over the years we didnt get to stay in touch as much but I truly feel very blessed to of had her in my life. God Bless, Gayla Lincoln

“ My oldest niece, I loved her very much we kept in touch. Her journey is over and the Lord welcomed her to his house where she'll live forever with no more pain or sorrow.
