“ Ashley,

I haven't seen you since this time last year. It's really kind of taken me a while to come up with the words. I feel like there's not enough words and not enough time for me to express how sad I am to hear this news. I want you to know I never forgot you and all the wonderful things that you did for me in my life. You impacted and touched every person positively throughout your life and you never forgot anyone. Every small single gesture always meant something to you and you always made certain that the world knew how much you love them. I want you to know that you were a very important person in my life and I am extraordinarily grateful that I got to call you a friend. I'm so sorry I wasn't there and I'm so sorry that I didn't do enough to be there for you. I wish I would've tried harder to keep in touch. I need you to know no more than ever that I love you and that I think you taught the world that it's important to be a little bit less selfish and a little bit more selfless. I love you and I will always carry you in my heart. Thank you so much for being such an important Part of my life.

“ Phillip, Brenda and family - I'm not sure if you remember me but I am Brooke's Mother and you have all been to my house a few times. I am unable to attend the service but wanted to tell you all that I am so very sorry for the loss of Ashley. She was a beautiful young lady with a heart as big as the sky. I always enjoyed visiting with her and admired her ability to share her love of Jesus and her love for life itself. She was a true Christian and full of life and love for everyone. I was so shocked to hear that she passed and wanted to let you all know how much I appreciated her being there for Brooke when she needed support. Ashley will truly be missed by so many, she touched so many lives in a very positive way. I know in my heart that she is in heaven with our Lord. Deepest sympathy to the entire family.

“ Dear Ashley, My heart breaks for you. I remember your childhood laughter and fun times we had when Aunt Cheryl and I would get together. Taking you and Lacey to Backstreet Boys concert, bunking party when you turned 13. Lots of good times to remember you by. This earth will miss you, but you have eternal life. Love you, Cyndi

“ My husband and I belong to Fitness Plus where I met Ashley for my first massage about four years ago. She was so sweet and was beyond what made a good therapist. I had the honor of meeting her dear mother and twin sister. My heart breaks, and we send our deepest heartfelt sympathy to all her family.

“ *The purest souls and the sweetest person. One of my very first friends here in Missouri and always welcomed me and my family with open arms. My heart is broken and this earth shines a little less bright without her. Ashley was the strongest woman of faith I've ever met and she will forever have a place in my heart. I love you sweet friend and am so thankful for the friendship we shared. Rest easy, I know you're having the best time with Jesus. ♡♡*
