“ I am so sorry to hear about AJ passing away. I taught AJ art classes when he was at Salem in the 9th grade. I thought you might want to know that I have one of his pieces of art that I have shown as an example to my students for years. I love it, but would gladly give it to you, as I know that may help in your healing. AJ was a wonderful student and a special young man. I know he will be greatly missed. My deepest sympathy to your family. May God bless you with comfort and healing through this difficult time.

“ Dear Tammy and family, My thoughts and prayers are with you at this most difficult time. I will always remember AJ as the most kind, thoughtful and loving individual I have ever known. He had a wonderful sense of humor, his warm smile and his ability to light up a room with his presence was unforgettable. AJ will live in our hearts forever.

“ I had the pleasure of meeting AJ many years ago. My cousin Erica and him were great friends and then I got to work with his wonderful Mom at Walnut Bowl in Salem one summer. AJ was always around work, with a smile and a funny story to tell me. Even though I didn't know him long or well, he was the kind of person that a person remembers. So sorry for your loss. My thoughts and prayers go out to you all.

“ AJ - I never thought I'd be going through the motions of services and signing these types of things for you when we're 25! This has definitely taught me to live life to the fullest and to not take my friends for granted. You were one of a kind and we had amazing memories together and I miss you! My love to your mom and your brothers and all your other fam! I'll never forget you - ever!

“ You and the boys have our heart felt condolences. Losing a child has to be the worst experience life can throw at a parent, but you can take comfort knowing AJ is free of all the pain and suffering and he and Cin is laughing and living it up Heaven. We love you.
