“ Betty, I am so sorry for your loss. I hope you know that my thoughts and prayers are with you and all of your family during this very difficult time.

“ The pain of losing someone you love is something that we will never get use to because God's Word refers to death as 'the last enemy.' May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will have our enemy 'brought to nothing.' (1Corinthians 15:26) What a wonderful day that will be!

“ Betty/Diana: Please accept my condolences on the passing of August. I have fond memories of our times together . . . New Years Eve when the men would play cards, trips to the ballpark in St. Louis, at least one trip to Branson. My thoughts are with you.
