“ The pain of losing someone you love can be overwhelming, especially when it is someone as important as a mother; I too know that pain. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon, all those in the 'memorial tombs' will hear the voice of his only-begotten son Jesus and 'come out' by means of the resurrection. (John 5:28,29) What a wonderful day that will be!

“ Barbara was my teacher in 8th grade over 31 years ago. She had touch my life back then. Through out the years we have stayed in touch. More recently in May we reconnected. As we laughed, talked and cried I had told her God must have known we needed each other in our lives again. She was one of my biggest cheerleaders in life, always willing to give you a vote of confidence, courage, smile or laugh. All of us that have known her has been truly blessed with having her in our lives(Earth Angel). She was one of my dearest friends that I will surely miss especially when watching our St. Louis Cardinals play. My deepest sympathy to her family, and Bruce thanks for sharing her with me. Barb, thanks for the memories!!! I love and miss you Friend!

“ Emily & Riley: My most sincere sympathy to you as I fondly remember your mom. She was a vibrant lady with so much positive energy! I loved running into her when I would be out doing errands - - we always had a great conversation & I would walk away feeling uplifted! May you find some comfort in knowing your Mom touched many lives with her bright smile and wonderful personality. You may not remember this, but I got to know your Mom when she would bring you girls to Cherokee Park for "play group" during the summers when you were only about 2 or 3 years old! Will be keeping you girls in my prayers.

“ *The greatest legacy of a mother is in the children she leaves behind. Emily and Riley your mothers legacy lives on through you two. I know she is proud of what you are already and what you will become in the future. Death is not an end, it is simply another state of being. Love you both.*

“ *Aunt Barbara: I remember when I used to visit Emily And Riley you treated me like one of your own children.. You were one of the most kind-hearted people I knew.. You took everything with such grace.. I just don't understand why bad things happen to good people.. I guess I never will.. I know that God wanted one of his best angels back so he decided he had to come and get you.. I hope you will be waiting on me when it is my time.. Then I can see that smile again :)..*

“ *I remember your mother from her days of teaching and she was nothing short of wonderful. One of the many things I enjoy about your page on Facebook was seeing pictures of you three together, just enjoying each other and life. May she no longer feel any pain and enjoy nothing but peace. Thank you, Mrs. Lohrmann for fighting the good fight and may you always be an inspiration to others.*
