“ Please accept my deepest sympathy for I too know the pain of losing someone you love. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'wipe out every tear from our eyes, and death will be no more.' (Revelation 21:4)What a wonderful day that will be!

“ Sending my condolences, I worked with Barb at SE Hosp. for many years and got to know her well through her role as Supervisor. She was always so kind and had a fun spirit. She had a way of making even the worst situations at the hospital not only tolerable but sometimes even fun. She was not afraid to jump in and get her hands dirty as a supervisor, willing to help with what ever was needed to provide the best patient care. I know so many other people that worked with Barb felt the same way. She will be deeply missed.
