Barb was such a wonderful lady. She lite up the room with her smile and sense of humor. She was our daughter's Math Teacher at Jackson High School. I was in awe of her gifted talents. She will be truly missed. Our Prayer and Thoughts go out to The Miller Family! God Bless each and everyone of you!

“ *My heart is broken. I loved seeing her at school. She was always smiling and was such a kind and patient teacher. Having been very sick myself, I am sorry to say, I did not know she was even sick. All I can say is heaven is much sweeter today.*

“ *As someone who often struggled with math, I very much enjoyed having her as a teacher for Algebra 2 (circa 1997). She made it a fun class that I looked forward to attending. I will always remember her patience and kindness when I needed extra help. Sorry to hear of her passing and prayers for her family.*

“ *Barbara was always a bright spot in the day for me at Jackson High School where we taught for many years. Her smile was contagious. I also ran into her a few times over the years at quilt shows. Actually I have one of her patterns for a small quilt she designed. I even have the fabric chosen for it waiting to be made. She had such talent and she was truly an admired coworker. God's peace be with you all 🙏💕💕*
