“ I know that no matter what
You will always be with me.
When life separates us
I'll know it is only your soul
Saying goodbye to your body
But your spirit will be with me always.
When I see a bird chirping on a nearby branch
I will know it is you singing to me.
When a butterfly brushes gently by me so care freely
I will know it is you assuring me you are free from pain.
When the gentle fragrance of a flower catches my attention
I will know it is you reminding me
To appreciate the simple things in life.
When the sun shining through my window awakens me
I will feel the warmth of your love.
When I hear the rain pitter patter against my window sill
I will hear your words of wisdom
And will remember what you taught me so well'
That without rain trees cannot grow
Without rain flowers cannot bloom
Without life's challenges I cannot grow strong.
When I look out to the sea
I will think of your endless love for your family.
When I think of mountains, their majesty and magnificence
I will think of your courage for your country.
No matter where I am
Your spirit will be beside me
For I know that no matter what
You will always be with me.

I will always remember you, brother.

Barry always had my Six (6).

I am very proud to say Barry was an excellent Military Policeman. The first week we meet was when he broke his nose during karate training in Germany. Barry always pushed himself to be the best he could be. He was a quick learner and always had a smile on his face that would light up a room. I recall my last night on the road before I was to depart Germany and Barry was my patrol partner. It was the first night he got to use his nightstick. After that evening I gave Barry my nightstick because it was made out of one solid piece of wood. Barry stated receiving my nightstick was like graduating to lead patrolman. I was so proud of Barry. He knew when to use his karate skills and when to use communication skills. Barry was full of energy and a passion to enjoy life. You could not ask for a better friend. Army buddies never say goodbye.

Catch You Later,

Henry Beverly

“ *Barry's Journey's Just Begun*

*Don't think of his as gone away, his journey's just began,
Life holds so many facets, this earth is only one,
Just think of his as resting from the sorrows and the tears,
In a place of warmth and comfort where there are no days or years,
Think how he must be wishing that we could know today,
How nothing but our sadness can really pass away,
And think of his as living in the hearts of those he touched,
For nothing loved is ever lost, and he was loved so much.*

Sincerely,

Henry Beverly

“ *Barry and I had some great times together at the Southeast Missouri Karate Assoc. We even tried to open up our own Tae Kwon Do school at the cape civic center. Didn't last long but we sure had fun. Barry always made me laugh. I'm so sorry to hear of his passing. Rest in peace brother.*

“ I will never forget the day when I was walking through Westpark Mall in Cape Girardeau and saw Barry in the distance. We made eye contact and he came barreling towards me with the big smile gave me a big huge hug and said that he had found Jesus while in Germany and went on to tell me an incredible story about coming to know Christ at a little country church in the most unlikely country for a Jewish man.

“ Barry, I never would have thought this day would be here so soon. We had alot of things to do yet. One of the best partners I had on the street as Military Police. I love you and I'll miss you. I'm on my way to West Virginia, I could never let you leave without a goodbye. Zeek and Henry is coming with me. See you soon.
