“ *It isn't often you have the privilege to care for a family so devoted, so appreciative, and so loyal to each other and that is what you are. Your mom was one of my favorites. She might have temporarily gotten lost in a terrible and frustrating disease but she knew her family and her heart will know Leon's heart forever. God bless you all. She will be waiting for you at home and loving you more than ever until then. You're in my prayers. --Wendy Boren*
