“ To Betty's family, friends or caretakers: I send condolences to all of you having known Betty from K-Mart's infant's department; don't know how long she worked there but she was a conscientious worker, had a kind personality, yet could be firm when need be. We pray for peace for those who remain of her friends and family; as you mourn her parting, keeping in mind she's lived a long life and no doubt tired & ready to go home to the "other side".

Loving thoughts & prayers, Larry & Harryette Miller Burnette
