“ On behalf of the Vaughn family, please know our hearts and prayers are with you, Kevin, and Betty Belle's entire family. I'm sorry that none of us are able to be with you, but know we are there in spirit. As my mom's best friend, Betty Belle was certainly part of our family, as well as you, Anne and the entire Pixley family. We just have to hold on to the memories as they were good ones.- Susan, Tom, Clyde Alan/Carol and Lois.

“ My heartfelt sympathy and prayers are extended to the entire family. Betty had a huge impact on my life and taught me so much about the field of speech pathology. I will never forget her kind guidance nor quiet, gentle spirit. What a legend she was at St. Francis Hospital. I know as a mother and grandmother she was proud and full of unconditional love. We were all blessed to have been a part of her life.
