“ Tori & Karen, I am truly sorry to hear about your loss. I know that woman meant absolutely everything to the two of you. I hope you are able to find the strength within you to accept her passing. My heart hurts so much knowing she's gone and I can't even begin to imagine how the two of you are feeling. She was an amazing woman. I know she appreciated everything you guys did for her. She couldn't have asked for better, more caring people to help take care of her over the last few years. She was already a very strong woman, but you helped her be stronger. My words can't express how deeply sorry I am to hear this. Just hang in there. Be strong for each other. With Deepest Sympathy, Ashley ”
