I've known Betty since I was 5 years old, she always had that sweet smile and kind words for everyone, I know that so many hearts are broken and there is not much anyone can say right now, to ease the pain, I do know that the heavens are rejoicing because a special lady got her wings. Fly high beautiful momma, I will never forget her. My heart hurts for you all, but you will be with her again. God bless you all and thank God for all the time and memories she left for you all. Connie, Mary, Jr. and Travis you are in my prayers.
