“ to Betty's family, John and Betty were very kind people. They always were there when we needed help and we tried to be there for them. My husband and I were friends with both of them since we moved here back in 2000. Many times we would join them for holidays or just to play cards. They were our best friends. I would come in person but I have a touch of the flu and don't want to give it to anyone else. I will definitely miss Betty she was the best.

“ The pain of losing someone you love is something that we will never get use to because God's Word refers to death as 'the last enemy.' May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will have our enemy 'brought to nothing.' (1Corinthians 15:26) What a wonderful day that will be!
