“ I need Steve Ross! Inhale was something I lkeood forward to everyday! There is now a huge void in my practice that Rodney yee or Shiva rea and the likes cannot feel. I loved the energy and variety that each inhale class provided. There is nothing else like it out there. I started inhale in 2002 when I was 15 yaand years old and ht

“ What you said made a lot of sense. But, think about this, what if you added a little cotennt? I mean, I dont want to tell you how to run your blog, but what if you added something to maybe get peoples attention? Just like a video or a picture or two to get people excited about what youve got to say. In my opinion, it would make your blog come to life a little bit.
