“ *To the Family of Sis. Betty J. Mosley
On Behalf of the Moore, Harris, Nunley families; We would like to express our sincere condolences. Sis. Betty touched so many lives in the very best way. She was always sweet and willing to help. I can't name all the dresses and other items she helped alter growing up. All in all, she got you right. I'm grateful I got the chance to know her as both a sister in Christ and a family friend. She truly had a servant's heart. May your heart find solace in remembering her light, beauty and laughter. May God be with you all.
Blessed are those who mourn for they shall be comforted.- Matthew 5:4NIV
Sincerely,
Moore, Harris, and Nunley families*

“ *I had the great pleasure of working with Ms Betty for several years when we both served as board members for the Southeast Missouri Boys and Girls Club. Her passion for the youth of her community was evident. She always kept her focus on the mission of giving care and support to youth who needed a little extra hand. I just loved her sweet spirit (tinged with a little feistiness) and her willingness to speak truth and what was on her heart. She was a hero. and her influence in our community will be missed. We need more like her!

“ To the Family of Sister Betty Johnson Mosley

On Behalf of the Braxton, Mitchell and Smith Families; We would like to express our deepest condolences to the family of our Beloved Betty. Words cannot begin to express our love and gratitude for all that she did during her life time. She always possessed such a pleasant smile and was kind to everyone she encountered. I was so greatly appreciative of the years of service and contributions that she gave to the Dr. Martin Luther King, Jr. Citywide Celebration Committee. She always came through to bring homemade baked desserts to our Dr. King Luncheon and was willing to help in so many other capacities during her lifetime. She was a Woman of GOD and exhibited strong faith. She kept me motivated just being around her. Your mother took pride in her children and grandchildren. She also engaged them in church and community events. Her great works will always be honored and greatly appreciated. Her outstanding talents of being such an outstanding Designer and having the ability to create so many fashion designs. It was truly an honor to see her have a business and to be able to utilize her given talents. So to the family always remember that you were blessed with a spiritual warrior and a very gifted mother in so many ways. Keep her legacy alive each and every day throughout your life. We will keep all of you lifted up in prayer. Weeping may endure for a night but Joy does cometh in the morning.

“ We The Walker Family would like to express our deepest condolences to the family of Sis Betty Mosley. She was more than just a friend to our family, we considered her family and loved her dearly. She was one of our mother's best friends. And whenever we had family events she was always someone we'd call and let her know to come out because as I stated, she was family to us. We will miss her smile and soft laughter.

With that said, to her boys and family, as you gather to honor the life of Sis Betty, know that you are the personification of her love, evidence that she was here, and her legacy lives on through you. You are her walking legacy, so carry it well.

With Love,

The Walker Family
