“ *Betty was such a joyful soul. She walked the streets in our Village with limited eye sight and slight of hearing...but that didnt stop her. When I would come upon her at the mailboxes and say HELLO in my high voice, she would joyfully say to me, "Marsha, is that you?" and we would have a conversation. She had a continual joyful voice in response by saying , "uh-huh, uh-huh"... always a smile on her face, she was an inspiration to me to see that what limits us physically does NOT limit us in response. Her attitude was exuberant. AnD, when she couldn't put her patio of flowers and seating as she wanted it in the driveway, she moved her relaxing area into her garage and would sit there greeting people as they'd come to visit her and enjoy her flowers. She was a bright light in the Village and I'll miss her smile and precious way of being. Her Spirit lives on as she watches over her beloved family. My condolences and blessings to the family as you say good bye on Sunday. From a fellow Village Resident Marsha, Unit 294.*

“ To the family of Betty & the late A.D. Price: Your family were steady customers of ours when we were open many years ago, The Burnette's Meat Mkt. We remember them well and send our most sincere condolences; how blessed you were to have your mother for so many years. Larry's mother passed in 1995, and his dad in 2003. It seems so long ago and in reality it has been; my daddy passed in 1971, at the ripe age of 54; oh how I miss him; my bio mother passed in 1955, when I was 6 years old, daddy remarried in '59 and my step mom passed in 1999. I have classmates from Sikeston who still have their parents & I tell them quite often how blessed they are to still have them. Always be thankful for the years you were privileged to spend with her & make lasting memories.

Sincerely & prayerfully,
Larry & Harryette Miller Burnette

“ Dear Price and Arnold Family's:
I am so sorry for your loss. I think of Betty (and AD) very fondly. First as the wife of Charlie's boss at Southeast Lumber in early 60's and second as a "sister in Beta Sigma Phi". She is remembered frequently by our chapter. There are still 5 of our original chapter active in BSP and we give her credit for our success as she was our Director when our original chapter for formed in 1969.

“ *I'm so sorry about your loss, Betty was truly one of the most elegant ladies I was blessed to be around going thru High School. She made the first and best lemon meringue pie I think I've ever eaten.*
