“ Sorry to hear about Betty, she was one of my mother’s best friends.....Maurine Stewart....she and my mother spent many days together for years. When Mother was in the nursing home, I took Betty with me to see mom a couple of times....so enjoyed her....Wanda and I graduated together in the class of 71 from Central also...it was a shock...to see she passed...I am sure her and mother are doing something together today. Sending love and prayers for all the family
