“ *you have our deepest sympathy at this time. Betty was one of a kind. She and i shared a lot of hours working in the kitchen at Bethany Baptist. Although we did not always agree on how to do what was needed, we always found a way that worked. We also enjoyed Southern Gossel music. After Betty got to where she was unable to drive Al and I would go get her when we were going to a concert she would like.  
I will miss my friend*

*Love Luci and Al Flohr.*
