“ God's peace and comfort to you during this time of loss. I worked with Beverly at SFMC and enjoyed working with her. A quiet and strong woman who will be missed.

“ I am so very sorry to hear about Beverly. She was a very special lady. I worked with her 17 years at St. Francis Medical Center and we became friends. I can tell you she loved her family very much. She would brag about her grandchildren often. We would see each other every once in a while after she retired. I know Beverly loved the Lord and I know she is with Jesus right now. Mark and Michael and all the rest of her family, you are all in thoughts and prayers. Beverly will be missed very much.

God bless you all.
