“ *Jack was my neighbor in Gordonville for 29 years and it was such a shock when he passed away, and I'm going to miss him as if he was part of my family. Even though we didn't visit one another that often, we both knew if we needed anything, the other person was there. He loved to make garden just like I do, and raised a beautiful garden for many years. He was very intelligent in so many ways, but you would never know it, because he never bragged about anything. He always took his time and thought it out before answering a person, and if he didn't know the answer, he would tell you so and didn't act like he did.*

My Deepest Sympathy to his family and to Sylvia, his long time friend.
