“ I met Bobby when his father was at Mo Vet! Thru the years I treasured sharing July birthdays over pizza and cokes. He so enjoyed the 45 minute hayrides to the Jansen farm in Leopold Mo..to the creek , to a wonderful sight of a non fire. Grand picnic foods and great company!! He loves to make many crafts and art work.. he shared much of it!!! I don't get to visit as often since we moved. But he was always on my list and I'd bring him a sundae. To get they grin from him. !
My sympathy to his kids who doted on their Dad. You helped your dad thru life and tough decisions. He was so proud of you and yours!!!
I'm glad God allowed our paths to cross
