“ *Bonnie and I have been friends for over 60 years and shared many laughs and visits just having talks and coffee. Always coffee. Most memorable are the day trips with friends. On one trip to St.Louis we visited Botanical Gardens and the Butterfly house. It started raining,I was driving on I 64. Bonnie panic and wanted me to stop and turn around I told her it would be easier to just take it easy and go on to our destination. We laughed about it later but it was scary. Also we had such fun going to North Carolina to visit and play bridge with Betty Schlitt Dumas. We also did a little hiking which Bonnie hated. She said we needed to take time and enjoy the view. Her memory will always be in my heart and she honored me by leaving this world on my birthday. My sympathy to all of her beautiful family.*

*Sharing Friday mornings volunteering at the St Francis gift shop with Bonnie was always a highlight of my week. She was a joy to work with. We shared so many laughs and a few sorrows but I will always treasure knowing her. She was a good lady. She helped a lot of people. May she Rest In Peace.*
