“ *I may have only known you for a short while aunt Bonnie but what time I spent with you I will cherish. Your smile and your heart filled with so much love. I will think of you everytime I watch the cardinals and somewhere up there in heaven you will be cheering them on.*

“ *Please accept my deepest sympathy for I too know the pain of losing someone as special as an aunt. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'swallow up death forever, and certainly wipe the tears from all faces.' (Isaiah 25:8) What a wonderful day that will be!*
