“ *I was lucky enough that I got a chance to work for the Samples both at Pops pizza and sample floor covering. I owe a lot to Brad, and learned a lot while hanging out with him. He was the one who talked me into buying my first Harley Davidson motorcycle in 1997 and we had a lot of fun riding together. He was the nicest guy you could ever meet and I'm thankful that I could call him my friend. I miss you Brad, and will continue to pray for your family.*

“ My heart and prayers are with Char, Cora Lee, Patti, Harley and the entire Sample family. Husband, father, son and a friend to too many to count. He touched many lives and made each and everyone of us feel special. We will keep your memory alive as you will be forever in our hearts.

p.s. - I have to sign my name as Patty as Brad refused to call me anything else..

“ Prayers going up for the entire family and all his fabulous friends for comfort & peace. Brad would give friend or stranger the shirt off his back and was never happier than when he was helping someone. RIP Brad
