

Brandon Scot Arnac

January 19, 1985 - June 27, 2023

Brandon Scot Arnac, 38, of Saint Louis, Missouri passed away Tuesday, June 27, 2023 and is now at his home with his Heavenly Father.

He was born January 19, 1985 in Cape Girardeau, moving to Southern Illinois as a toddler. He graduated from Shawnee High School, as the "most outspoken".

Brandon grew into a loving and giving, simple man. Even at a very young age he would help total strangers, especially the elderly. He loved life to the fullest, a light of love; being most content by helping others, being so humble and kind. It goes without saying he also enjoyed making people laugh and brightening their day. He was quite the character. He was loved and respected by so many, touching hearts everywhere he went. Brandon loved God's beauty of the outdoors, especially while hiking and fishing. He was one of the hardest working men you would ever meet as well; working three outdoor jobs at the time of his passing into eternity with his Lord and Savior.

Brandon is lovingly survived by his mother, Karen (John) Suggs of McClure, Illinois; a daughter, Chloe Arnac of Tamms, Illinois; two brothers, Austen Vandermark of Carbondale, Illinois and Kollin Morris of Sikeston, Missouri; and a sister, Shawna Suggs of Wappapello, Missouri.

He was preceded in death by his grandparents, HR "Red" and Velma Arnac, whom were two of his most favorite people, now reunited in their light of love.

Brandon will be missed dearly by so many people that admired and loved him so.

Visitation will be 10:00 am to 12:00 pm on Saturday, July 22, 2023 at Ford & Sons Mt. Auburn Chapel in Cape Girardeau.

Memorial service will follow at 12:00 pm Saturday at the funeral home with the Pastor Frank Burgess officiating.

Memorial contributions may be given to University Autism Center/ SEMO in honor of his brothers.

“ Brandon,
I can't even begin to tell you how missed you are. You were all I could ask for in a friend. In the 10 years I was fortunate enough to know you you were always there to help anytime I needed it. I could always count on you if nobody else to lend a helping hand. When I lost my daughter where you were there for me to grieve with me and help me with anything I was needing. When I got diagnosed with COPD, you made sure my lawn was cut and always offer hand in any other tasks I might need to tackle. You never wanted anything in return you just wanted to help and make it easier for me. I will never have another friend like you. You were different in ways and at times would drive me crazy, lol, but I could always count on you to be there when I was in need of help, or anything for that matter. You were definitely unique, and I doubt I'll ever come across another friend as good as you in this life! I drive past your house a lot and cannot believe that you're gone. I look forward to seeing you on the other side.

Scott,
you summed Brandon up perfectly. He was a friend to all; but if you were one of his close friends, you were very fortunately to have that kind of giving friendship and silly personality that was definitely unique that only Brandon could share..
Thank you Scott. Huge hugs!
