“ This was my beautiful mother. I miss her more then anything in this world. It is sad that she cannot meet here grandson or her future grandchildren. She had a huge impact on my life that no one else will be able to replace. She had a great heart and tried her best even though she struggled through the end of her life. She stood strong for her children. I love this woman with all my heart and not a day goes by that I do not think about her. R.I.P. MAMA

“ I was Brenda's caretaker for over 2yrs before she went into a nursing home. But I was more than just her employee. I was her friend. I loved her as if we were related. She knew that her illness would one day take her life and she asked me to care for her youngest child Brandy when she was no longer here. Brandy has been living with me for a yr and she will always be a part of my family. What an incredible gift she gave me. Another daughter and another child to love, nurture and fulfill a promise I made to Brenda.
