“ *Brian, my buddy, even though we drifted apart, starting families, jobs, etc. I always thought a lot of you. I remember the fun out at your place wrenching, riding 3 wheelers, bonfires. You were always the smart one. You were the thinker, the one who had a solution to a problem and a very talented body man that you don't see in shops much these days. Sure will miss you bud. Mike and Joy Francis* ”
