“ One that sticks out at this moment, is When she asked a few family members. She asked; " Is Black Friday, On Wednesday after Thanksgiving". Everyone Was Laughing so Hard and we said Brittney that's why it's called Black Friday cause it's Friday after Thanks giving. She was a Real Blonde in certain areas. But All in All my niece was A very Smart and Wise Woman. She was an old soul, sort of speaking. Wiser than most girls her age. She's Beautiful, Smart, Funny, even to the extent of her not knowing she was humorous. She was a hard worker, and an Excellent Mother to her daughter and Son. She loved to Bake. And Come up with her own ideas of cooking. I remember taking care of Brittney and Shua when they were still newborns. Needless to say, I only done that once. Twins, but not identical, I sure give props. to my baby sister Shana Trigger; Brittney's mother. I Love You Brittney Alexandria Wilcox Max. Mom, Grandma Windisch, Grandpa Windisch and Grandma Michelle will help guide you and be there for you. To the Moon and Back, Missing You Now and Always Your Aunt, Stephanie Windisch
