“ Julie, it has been a number of years since you had our Matt at Kindercare and since Carl worked on our painting jobs so you may not remember us, but we remember both of you fondly. Carl was one of those people you loved having work in your home and were sorry to see leave when the job was over. He did great job for us and was such a joy to have around. I know the void he leaves behind will be unimaginable as you meet the challenges of life without him. May your faith be strengthened, and may your memories of him grow even brighter as the days go on. With my deepest sympathy, -Connie Ponder

“ Sorry to the entire Boitnott family for your loss. Carl was a great guy to know. He was one of the hardest workers I've seen but knew how to have fun while doing it. His personality and ability to stay positive all the time are irreplaceable. I was lucky to work for him and along side him over the course of a couple years. He was dedicated to his family, friends and his business. I will miss him and I wish the best for his family.

“ My heart hurts for the Boitnott family. I went to school with Carl, and although we were not close friends, I remember his smile and his laugh though the halls of JHS. He was just a happy person. I pray that God will give you the strength to go on during this hard time, and help you to celebrate his life thru the sorrow.

“ My prayers and condolences to the entire Boitnott family. Carl and I were very close friends in high school and I will miss him terribly even though we haven't spoken for many years. I never knew that Carl was born in Portsmouth.... Just another thing we have in common because I worked for the Portsmouth Police Department for almost 14 years. You will all be in my thoughts and prayers through the difficult days to come.
