“ I did know Carl personally but know his daughter Jamie very well and his granddaughter Meadow. I heard many stories about him from Jamie. Carl was truly blessed to have such a beautiful daughter who cared so deeply for her father. You can tell he instilled the love she demonstrated for him. She was always there for him and made sure he was provided the utmost care. He loved Meadow deeply and she was there for her “POPS”. I offer my condolences and blessings during this time. I wish I had the time to have met him so I could have personally told him what a great influence he has on Jamie and Meadow. Janis
