“ *Our deepest condolences, Charles & Kate, and to all of Carlea's family. We are all so lucky to have had her in our lives for awhile. We learned many things from her and the wonderful example she set for us in so many ways. In her honor, we will strive to smile and laugh more often, to always keep our kitchen knives sharp, to say it straight and honest, to not wear run-down shoes, and to use whole wheat flour whenever possible. She would approve.*
